Sir:

On September 18, 2008, the U.S. Patent Office mailed a Notice of Abandonment in the above-referenced Application, which in its first line states as follows, "The above-identified application is **abandoned** for failure to timely reply to the Decision on Petition mailed on ." (sic)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to Mail Stop Petitions, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on September 25, 2008.

Note that the Notice of Abandonment did not identify the mailing date of the "Decision on Petition" that lead to the Notice of Abandonment. However, the only outstanding Decision on Petition in the above-referenced Application was issued by the Office of PCT Legal Administration on **June 20, 2008**. By its very terms a response was due to that Decision on Petition within two months, but it was expressly stated in the Decision on Petition that extensions of time were available under 37 C.F.R. 1.136(a), meaning therefore that the Applicant has until **December 20, 2008** within which to timely reply to the outstanding Decision on Petition by paying appropriate extension of time fees for every month that passes after the two month deadline set forth in the Decision on Petition.

Consequently, the Notice of Abandonment was issued erroneously by the U.S. Patent Office, and its prompt withdrawal is respectfully requested.

Respectfully submitted,

By:

See MPEP § 711.03(c) and Form PTO/SB/61.
